

Countdown for MAKTEK 2018
Business volume of \$ 1 billion!
A growth target of 12 percent

The most prominent hub in Eurasia for machine tools and sheet processors, core elements of production in machine and manufacturing industry, MAKTEK Eurasia 2018 Fair continues its preparations to welcome its visitors at TÜYAP Fair Convention and Congress Center on October 2-7, 2018. Organized in collaboration with Machine Tools Industrialists and Businessmen Association of Turkey (TİAD) and the Association of Turkish Machine Manufacturers (MİB) and the support of Turkish Ministry of Science, Industry and Technology, Republic of Turkey Ministry of Economy and KOSGEB, the preparations for the fair to bring together over 1,000 brands and brand representatives with industry professionals are at full steam.

A platform for machine tools, which are the main manufacturing tools in the machine and manufacturing industry – two of the main pillars of the Turkish economy, **MAKTEK Eurasia 2018 Fair** continues its preparations to welcome its visitors at TÜYAP Fair Convention and Congress Center on October 2-7, 2018.

Emphasizing that they were expecting a 12 percent growth year-over-year, **the General Manager of TÜYAP Fair and Fair Services İlhan Ersözlü** noted that MAKTEK was a meeting point for the industry. Stating that they were going to bring together businessmen from all four corners of the world in 14 halls spanning a total of 120,000 square meters, **Mr. Ersözlü** remarked that they were working incessantly to facilitate the meeting of over 1,000 companies / company representatives and industry professionals. *“Beyond including cutting-edge products in its scope, MAKTEK captures the future projection of the industry by creating a common platform for thousands of new products. In addition to 60,000 visitors from 70 countries, the fair will be home to national participation by countries such as China, Taiwan, India and Korea and host the senior management of international public institutions and NGOs. An important benchmark for the Turkish economy, the MAKTEK Eurasia 2018 Fair aims to drive a business volume of 1 billion dollars.”, said Ersözlü.*

Awards by MAKTEK Eurasia

Set to host the MAKTEK Golden Compass (Altın Pergel) Competition organized in collaboration by TİAD and TEZMAKSAN Training Base, MAKTEK Eurasia proves its support for the development of next generations. 10 schools made it to the finals in the competition attended by 36 vocational high schools from 19 different cities. The top three schools will receive their awards at the opening ceremony of MAKTEK Eurasia 2018 Fair.

MAKTEK Eurasia 2018 will be a stage for attendees operating in the businesses of machine tools, metal and sheet processing machines, tool holders and cutting tools, quality control and measurement systems, CAD/CAM and PLM software, and manufacturing technologies.
